Dear Dr. Green,

I recently received a letter from, Gaye McPhie, from the Heber City Chamber of Commerce. I had sent the Chamber of Commerce an E-mail letter several months back requesting info on the CCC.

My late father, Richard W. West, worked with the CCC in 1939. He was a Missouri boy. After leaving the CCC in Dec. 1939, he enlisted in the Army. He spent almost 13 yrs. in the Military.

I had been hoping to obtain some old camp photos. It seems my father was on a camp softball team! A photo of this nature, would make a wonderful contribution to a book that I am writing for my children.

Dad passed away over 26 years ago. He was only 56. He had a rare form of cancer. He died without ever getting a chance to spoil & love a grandchild. It has been my goal to gather as much information on dad as I possibly can, & publish the data for my children!

Ms. McPhie, said you might remember a few things about the CCC, & could hopefully point me in the right direction as to where I might just find a much desired camp photo.

My father was in Camp # BR64. It seems he did a little bit of everything...Truck drive, to pick & shovel labor. He was classified as a Junior. Dad was 22 yrs. old. He enlisted at Union, Mo. & was then sent to Fort Riley, Kansas. I suppose it was from this Fort that he & others were shipped to Utah by train. He finished his time up at Jefferson Baracks Missouri. It was this location that he later enlisted in the Army. It also shows on some old papers that I have, that the Dept. he was listed with was....4792.

I would be very interested in what you might want to share with me & my family! Perhaps you might know a local person who still has an old photo that I could possibly talk them out of a copy of!! We would love it!!

The information that I have gathered on dad has been quite wonderful! I have come in contact with some great people!! All seemed more than willing to share a few memories with me. I think when I have completed my long hard work..... I will make the Best Seller list!!! (Ha!) On a more serious note though, I have discovered that my dad was very well liked. That makes me proud! Even his discharge papers show him as well liked & honest!

So, Dr. Green, can you share anything with me??? You would make us all smile, if we could just come in touch with a photo!

I hope to hear from you soon! Thanks so much!!

Sincerely,

Rita & family
